

SAVTE

STOPPING ACTS OF VIOLENCE THROUGH EDUCATION PROGRAM

This program's overall mission is to increase the knowledge and understanding of the nature and purpose of the law for students and parents of the Fulton County Schools.

The program has four basic objectives:

- Increase the participants' knowledge of the juvenile and adult justice system,
- Foster resiliency skills,
- Enhance communication and cooperative learning skills, and
- Provide a positive practical learning experience.

The program includes activities such as engaging in problem solving activities, practicing conflict resolution exercises, participating in group discussions, completing written assignments, and taking a part in role playing situations.

SAVTE is sponsored by the Student Safety Office
