Principal's Message

Dear Dolvin Families –

This week I wanted to share an article brought to my attention by our school counselor, Janelle Layton. The article, from Summit Counseling, addresses the challenges of working from home during a pandemic:

Register New Students Now

Attention families who have a student that will be new to Dolvin next year:

It is now time to register your child for the 2020-2021 school year! If you have a student who will be new to Dolvin next year please:

1. Complete the online registration process <https://www.fultonschools.org/enrollment>.
2. Email your application number to Nancy Adams at adamsn@fultonschools.org.

If you have already completed the registration but not emailed Nancy Adams, please do so to complete the registration process. If you do not have access to online registration, contact Nancy Adams, to make an appointment for registration after school buildings re-open.

For more information on registration, go to www.Dolvin.org and click on the Registration link under Site Shortcuts.

Students Not Returning to Dolvin

If your student will not be returning to Dolvin for the 2020-2021 school year, please email our CST, Carrie Halron, at Halron@fultonschools.org and our Data Clerk, Nancy Adams, at AdamsN@fultonschools.org to let them know. If you have a student who will be returning to Dolvin, you do not need to do anything at this time.
