## **School board to meet October 17 at the South Learning Center**

The Fulton County Board of Education plans to meet tomorrow at the district's South Learning Center, located at 4025 Flat Shoals Road in Union City, for its October 17 meeting.

A pre-work session will begin at 3 p.m. The school board will meet at 5:00 p.m. for executive session, followed by their regular meeting. At 6 p.m., there will be recognition of students and staff followed by a public comment session. The action meeting officially begins afterwards.

Most of the meeting's agenda items were discussed fully at the October 10 work session and are expected to be approved with little or no discussion at the board table. All topics up for approval are posted on BoardDocs, a website that makes the school board agenda and all supporting documents available online. The meeting's business agenda will begin immediately after the public comment session.

School board meetings can be watched live on FCSTV Comcast Channel 24, AT&T Ch. 99, and Google Fiber TV Ch. 145 or from a computer using this link. Video recordings of the meeting are archived to the videostreaming website within 48 hours of the meeting.

All meetings of the school board are open to the public unless designated as an executive session, where the board must convene in private to discuss land, legal or personnel items.
