

What is a School-Family Compact?

A School-Family Compact is a written agreement parents/guardians, students, teachers, and staff develop together. It explains how parents/guardians, students, teachers, and staff will work together to make sure all students improve and reach grade-level standards.

Jointly Developed

The School- Family Compact was jointly developed and revised with input from parents/guardians, students, teachers and staff of College Park Elementary School. Our school invited all parents/guardians and community members to our Round Table Talk Input Meeting last Spring. This meeting allowed parents/guardians to be collectively involved in the revision of our School-Family Compact. Input was gathered using different methods, such as, email, surveys and feedback forms to give input on the compact. Additionally, we welcome feedback throughout the school year.

Activities to Build Partnerships

College Park will provide many opportunities for families and community members to be involved. These events and activities will build and develop partnerships to help our students' academic achievement.

- Open House/Sneak-a-Peak
- Principal Chat and Chew
- Family Literacy Night
- Reading Night
- Family STEAM Fun Night
- Career Day
- Volunteer
- Annual Title I Parent Meeting
- Parent-Teacher Conferences
- Classroom Observations

College Park Elementary School realizes the importance of ongoing two-way communication, especially when it comes to the student's academic achievement. Some of the ways you can expect us to reach you are:

- School website
- Blackboard
- Progress Reports/Report Cards
- Class Dojo
- Infinite Campus
- Parent-Teacher Conferences

2019-2020 District Goals

Our goal is to prepare all students to graduate ready to pursue and succeed on their chosen paths.

WORKING TOGETHER FOR SUCCESS

For measurable outcomes and to review the Strategic Plan 2022
<https://www.fultonschools.org/Page/842>

School Goals for 2019-2020 Kindergarten Reading

By May 2020, 75% of Kindergarten students will master at least 75 high-frequency sight words, as measured by GKIDS Assessment

Kindergarten Mathematics

By May 2020, 75% of Kindergarten students will master counting from 1-100 and identify numbers 0-20, as measured by GKIDS Assessment

Kindergarten Focus areas

- Students will become fluent readers by mastering and recognizing at least 75 high frequency sight words
- Students will build a strong foundation in number sense by counting 0- 100, number recognition 0-20, and comparing numbers.

Teacher/Support Staff will...

- Provide parents with academic workshops that focus on reading and math strategies.
- Provide parents and students with reading logs to encourage reading nightly for 10 to 15 minutes.
- Provide a Parent Resource Center and encourage parents to check-out reading and math materials.
- Provide a list of sight word that parents can use to practice with their child at home.

Parent/Guardian, and Family will....

- Attend schoolwide academic workshops that focus on reading and math strategies to support my child at home.
- Read with my child for 10-15 minutes daily and help them log their books.
- Use the Parent Resource Center to check-out reading and math materials.
- Use the sight word list with my child at home to practice.

Students will....

- Use materials from parent workshops that parents/guardian attended to help me with reading and math.
- Read for 10-15 minutes daily with family member(s).
- Use the resources that my parent/guardian checks out from the Parent Resource Center.
- Practice sight words with family member(s) at home.

Sign up for Class Dojo.
Track you child's school day and more.

Compacts will be reviewed during Parent/Teacher conferences and throughout the school year.
