

## What is a School-Family Compact?

A School-Family Compact is a written agreement parents/guardians, students, teachers, and staff develop together. It explains how parents/guardians, students, teachers, and staff will work together to make sure all students improve and reach grade-level standards.

### Jointly Developed

The School- Family Compact was jointly developed and revised with input from parents/guardians, students, teachers and staff of College Park Elementary School. Our school invited all parents/guardians and community members to our Round Table Talk Input Meeting last Spring. This meeting allowed parents/guardians to be collectively involved in the revision of our School-Family Compact. Input was gathered using different methods, such as, email, surveys and feedback forms to give input on the compact. Additionally, we welcome feedback throughout the school year.
