School board to meet for November 12 work session

The Fulton County Board of Education will meet Tuesday, November 12, for a work session at the school system's North Learning Center at 450 Northridge Parkway in Sandy Springs.

The board will first meet at 12:30 p.m. for executive session, immediately followed by a pre-work session at 1:30 p.m. Work session presentations will begin at 3:30 p.m. Should the work sessions conclude early, the board may move to immediately begin discussion of the topics slated for the Thursday, November 21, board agenda. At 6 p.m., the board will conduct its monthly recognition of outstanding student and staff accomplishments followed by a public comment session.

All topics being discussed are posted on BoardDocs, an online program that makes the school board agenda and all supporting documents available online. School board meetings can be watched live on FCS-TV Comcast Channel 24, AT&T Ch. 99, and Google Fiber TV Ch. 145 or from a computer using this link. Video recordings of the meeting are archived to the videostreaming website within 48 hours of the meeting.

All meetings of the school board are open to the public unless designated as executive session, where the board must convene in private to discuss land, legal or personnel items.
