Georgia Parent Survey:

Your opinion matters! Tell us about your experiences with the district and our school by filling out the College and Career Ready Performance Index (CCRPI) **Georgia Parent Survey** required by the Georgia Department of Education. This survey provides a foundation for your school's Climate Star rating score and is part of the CCRPI. These climate scores are an important indicator of culture and climate within each school in the district. Each school will receive a Star Rating ranging from one to five, with five stars representing an excellent school climate, and one star representing a school climate most in need of improvement. The surveys are anonymous and confidential and will remain open through **Friday, December 15th**. To access the parent CCRPI survey, please click [here](#).

Lost and Found

Please have your student check our lost and found for any item(s) that have been lost. We have a significant number of coats, sweatshirts, water bottles, and lunch boxes. All unclaimed items will be donated to charity during winter break.
