Thank you for your continued support and commitment to making our school community exceptional. Whether you are spending the holidays with family, friends, or taking a well-deserved break, I hope it is filled with cherished moments that create lasting memories.

Wishing you all a joyful holiday season and looking forward to the exciting possibilities the upcoming new year holds for us.

### Socks, Mittens, and Gloves Collection

Wow! We had a goal of collecting 800 items for this initiative and exceeded our goal by collecting 1,186 items to donate to North Fulton Community Charities. Thank you for bringing joy and warmth during the holiday season to our community; your generosity has made a significant impact.

### Giving Tree Collection

Thanks to your kindness, our Giving Tree was adorned with a wealth of gifts, ensuring that many families will experience the magic of the season. Your compassion and willingness to make a difference showcases the strength of our Barnwell community. Once again, thank you for your unwavering support.

### Georgia Parent Survey:

Your opinion matters! Tell us about your experiences with the district and our school by filling out the College and Career Ready Performance Index (CCRPI) **Georgia Parent Survey** required by the Georgia Department of Education. This survey provides a foundation for our school's Climate Star rating score and is part of our CCRPI. These climate scores are an important indicator of culture and climate within each school in the district. Each school will receive a Star Rating ranging from one to five, with five stars representing an excellent school climate, and one star representing a school climate most in need of improvement. The surveys are anonymous and confidential and will

remain open through **Friday, December 15<sup>th</sup>**. To access the parent CCRPI survey, please click [here](#).
