Shark Tales:

GA CCRPI Parent Survey:

Your opinion matters! Tell us about your experiences with the district and your school by filling out the College and Career Ready Performance Index (CCRPI) **Georgia Parent Survey** required by the Georgia Department of Education. This survey provides a foundation for our school's Climate Star rating score and is part of the CCRPI. These climate scores are an important indicator of culture and climate within each school in the district. Each school will receive a 1–5-star rating, with five stars representing an excellent school climate, and one star representing a school climate most in need of improvement. The surveys are anonymous and confidential and will remain open through **Friday, December 15**. To access the CCRPI survey, click [here](#).

Georgia Student Health Survey

The Georgia Department of Education (GA DOE) requires all public schools to participate in their Georgia Student Health Survey. To see the GA DOE informational website [click here](#). The survey has two parts: one for parents and one for students in grades 3 - 12. Each school must have a 75% participation rate on the student portion of the survey. Schools failing to meet the 75% student participation rate will score 0.00 points on the school's CCRPI survey calculation under the survey portion of the School Climate Star Rating. **At Shakerag, students in grades 3-5 will participate in this survey the week of November 27.**

This GA DOE developed survey asks questions that are covered by the Protection of Pupil Rights Amendment (PPRA). For more information about PPRA, [click here](#). PPRA requires that schools provide parents/guardians with advanced notice of student participation, the option to preview the student survey, and the ability for parents/guardians to opt their students out of any surveys that include PPRA protected areas. If you would like to opt your student out of participation in this survey, please email our assistant principal, **Samantha Weaver, prior to Friday, November 17**, requesting that your student not participate in the Georgia Health Survey.

LAST CALL: Let Us Be Thankful Together: Kindergarten Food Drive

Our kindergarten students are still accepting donations. Students can bring non-perishable foods, canned foods, and dry goods to Shakerag Elementary. **Monday, November 13** is the LAST DAY we will be accepting donations. We look forward to helping our friends at North Fulton Community Charities Food Bank.
