

Edgenuity Student Guide

Edgenuity is used by students enrolled in Grades 6-12.

Login to Edgenuity

1. On a computer go to <https://launchpad.classlink.com/fcs>
On a mobile device download the **ClassLink Launchpad** app from the store. The first time you launch the app it will ask you for the name of the school district. Type **Fulton**.
2. In the username box enter student ID#. Elementary students' password is their birthday in this format: MMDDYY
MS/HS students were encouraged to change their password. Their Classlink password is the same password they use to login to a computer.

3. Once logged into Classlink, click the Edgenuity icon.
