

OUTSTANDING CHARACTER, EDUCATIONAL EXCELLENCE

Accommodations for Students with Exceptionalities for TeleSchool Assignments

Accommodation	Example
Shorten assignment	*Even/odd numbered questions only *Problems that ask for three or more details, accept one or two
Provide sentence starters	*Help formulate written response
Use of a timer	*Have a kitchen timer to help with time management
Read assignment aloud	*Help your child read passages and questions to assist in understanding
Frequent breaks	*Give your child time to rest or play after 10-15 minutes then come back to work
Note-taking assistance	*Help your child pick out key words and details in reading passages and word problems
Hand-writing assistance	*For children with fine-motor skill needs, have them verbally tell their answer and have an adult write it down
Check for understanding	*Ensure that your child understands directions before starting.
Chunking	*Break assignment into smaller pieces of work (doesn't all have to be completed at one time)
