There are many things we can do to support our children at home to encourage learning over the summer. Summer Learning experiences should be engaging and meaningful for students. Below are some helpful tips:

- keep learning to 15-30 minute sessions
- incorporate hands-on learning when possible
- develop a learning partnership with your child when planning out learning sessions
- have fun
The Georgia Standards of Excellence require that students gain, evaluate, and present increasingly complex information, ideas and evidence through listening and speaking as well as through media. The standards recognize that students must be able to use formal English in their writing and speaking but that they must also be able to make informed, skillful choices among the many ways to express themselves through language. (gadoe.org)

**ESSENTIAL SKILLS**

- Use knowledge of morphology (e.g., roots and affixes) to read accurately unfamiliar multi-syllabic words in context and out of context
- Determine a theme
- Describe characters in DEPTH using specific details (thoughts, words, or actions)
- Summarize the text
- Explain what happened and why for events, procedures, and ideas in historical, scientific, or technical texts
- Use Greek and Latin affixes and roots as clues to the meaning of a word

**SOCIAL STUDIES**

- Describe the purpose of the 13th, 14th, and 15th Amendments
- Give examples of technological advancements and their impact on business productivity during the development of the United States
The Georgia Mathematics standards are designed to help learners achieve a balance among concepts, skills, and problem solving. They provide clear expectations for curriculum, instruction, assessment, and student work. The standards stress rigorous concept development and real-world applications while maintaining a strong emphasis on computational and procedural skills. (gadoe.org)

**ESSENTIAL SKILLS**

- Read and write multi-digit numbers
- Use the four operations with whole numbers to solve problems
- Multiply 1-digit by up to 4-digit (using strategies)
- Divide up to 4-digit by 1-digit with remainders (using strategies)
- Extend understanding of fraction equivalence and ordering
- Add like fractions, decompose fractions, solve word problems with fractions
- Multiply a fraction by a whole number
- Understand decimal notation for fractions
- Compare decimal fractions

**SCIENCE**

- Describe and illustrate the flow of energy through a food web/food chain beginning with sunlight and including producers, consumers, and decomposers
For students who are learning to read, the recommendation is to practice reading with an adult for 20 minutes per day. Stronger readers can either read independently, or to an adult for 20 minutes per day. All books have been curated in a digital district platform called MackinVIA.

**INFORMATIONAL TEXT SUGGESTIONS**
- Energy All Around
- How the Government Works
- The Life Cycle of Plants
- What are Food Chains and Food Webs?
- What are Living and Nonliving Things?
- What is a Life Cycle?

**ADDITIONAL SUMMER READING**
- Get Ella to the Apollo
- The Secret Garden
- Day At The Museum
- For more books follow the link for digital resources.

**DIGITAL RESOURCES**
Directions for navigating are linked below.
- [https://www.fcssummerreading.org/](https://www.fcssummerreading.org/)
**i-Ready recommendation is 3 times a week for 15 minutes per day.**

### Grade 4 Reading and Math Activities

<table>
<thead>
<tr>
<th>Sunday</th>
<th>Monday</th>
<th>Tuesday</th>
<th>Wednesday</th>
<th>Thursday</th>
<th>Friday</th>
<th>Saturday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Practice multiplication and division facts within 100 (two to 10x10). For 5 minutes each day, make flash cards today to use for the month. (M)</td>
<td>The root trans means “across or change”. What does the word transfer mean?</td>
<td>Roll 2 dice to build a decimal (e.g., roll a 4 and 2 and make 0.42). Have a partner roll 2 dice to build a decimal. Whose decimal has the greater value? How do you know? (M)</td>
<td>Take the prefix off these words. How does the prefix change the meaning? Interaction internet interchanging interact intercostal interact</td>
<td>Write 5 fractions that are the same as 1/4. Tell how you know they have the same value. (M)</td>
<td>What always needs to go with a conjunction in a compound sentence? Look for at least 5 compound sentences in your independent reading text.</td>
<td>Find 4 books. What are the total number of pages in all 4 books? (M)</td>
</tr>
<tr>
<td>Think of an idiom. Write it down as well as the meaning.</td>
<td>Bailey had 217 flowers. She put the same amount of flowers in each of 9 vases. How many flowers were in each vase? Did she have any flowers left over? (M)</td>
<td>Describe the main character of the story in your independent reading text. What are their thoughts, motivations, and feelings?</td>
<td>Alex can read 104 words per minute. What is the best estimate of the number of words Alex can read in 8 minutes?</td>
<td>What was the theme in your independent reading text? What evidence do you have that this is the theme?</td>
<td>15 friends want to order pizza for dinner. They predict that each person will eat 1/3 of a pizza. How many pizzas should they order? What if there were 9 friends? (M)</td>
<td>Read an informational text. Summarize the important information for someone else.</td>
</tr>
<tr>
<td>I earn $5 per hour babysitting and $4 per hour for weeding the garden. Last week I did 7 hours babysitting and 6 hours weeding. How much more money do I need to buy a game that costs $80.00? (M)</td>
<td>Is the following a simile, metaphor, or idiom? The runner is as fast as lightning!</td>
<td>A cake recipe calls for you to use 3/4 cup of milk, 1/4 cup of oil, and 2/4 cup of water. How much liquid was needed to make the cake? (M)</td>
<td>Label each part of speech in the sentence below: The chicken sandwich was delicious.</td>
<td>Make the largest and smallest numbers you can find using the digits 4, 1, 7, 8, and 2. Find their difference and sum. Write each number in word form. (M)</td>
<td>How many books have you finished so far? What is your goal in 3 weeks? Make a plan to reach this goal.</td>
<td></td>
</tr>
<tr>
<td>The roots pen, and post mean “put or place” what does the word position mean?</td>
<td>Billy decides he wants to build a flower garden. He has an area of 284 square feet. He builds a wall with a width of 4 feet. What would the length need to be? (M)</td>
<td>Write a simile that describes your smile.</td>
<td>Window 1 has a length of 5 feet and a width of 8 feet. Window 2 has a length of 6 feet and a width of 9 feet. What is the difference in the perimeters of Window 1 and Window 2?</td>
<td>Circle the part of the word that means tooth Periodontics Orthodontist</td>
<td>For every 6 children going to the zoo, one adult comes along. How many adults will accompany 83 children? (Hint: make a table)</td>
<td>Read an informational text. What were two main ideas in the text? How do you know?</td>
</tr>

</table>
| Listen to a story on Storyline Online (www.storylineonline.net) | Draw 10 shapes (or more) on a sheet of paper | **Exercise**  
- Stand on your toes  
- Clap hands over your head  
- Stand on one foot  
- Clap hands behind your back  
- Repeat 5 times | Pair socks together from laundry (or assist in folding laundry) |
| Identify nouns (people, places, or things) in a book or magazine | Write numbers 0-50. Then, count by 2’s and put a circle around each number | Dance to 5 or more songs on Go Noodle (www.Family.GoNoodle.com) | Make Rice Krispy Treats (or another cooking activity) |
| Make a real-world connection between what you read during your reading lesson to your life | Choose at least 3 items from your favorite store online and calculate the total cost | **Exercise**  
1. 10 jumping jacks  
2. 10 push-ups  
3. 10 sit-ups  
4. Run in place for 1 minute  
5. Repeat 3 times | What is your favorite meal? Write a grocery list that includes the foods needed to prepare the meal. (Or assist your family in creating a general grocery list) |
