Informational Item: Principal's Update

We are currently in Phase 3 and 2 full days of f2f have been completed so far. On Wednesdays we do not have students in the school, just online. Monday, we had around 67 students in the building and Tuesday we had around 73 students attend f2f. Students are learning through the simultaneous model.

Phase 4 is targeted for October 5th and students will come 2 days a week. Some will come Monday and Thursday and some will come Tuesday and Friday. No students will come Wednesday. Simultaneous instruction continues during this phase as well.

Final f2f phase target is October 14th. Students still have an option to work at home. If students choose f2f, they will attend school Monday- Friday.

Great feedback on Freckle. Continue to send Ms. Christopher thoughts about Freckle. Ms. Novoselsky's students love Freckle and are doing very well on it. The aspect of being able to add coins as incentives is appreciated as well. Ms. Phillips and her son also really enjoy Freckle.

Second- fifth grade all have technology devices and should bring those devices to school and take them home. They should charge these devices each night as well.

We are 10 under our projected enrollment, so we have not lost any teaching staff. We had frozen a Kindergarten position, so nothing was lost. We have 2 vacancies, a .5 ESOL para and a para vacancy in pre-k.

Discussion Item: SGC Goal Setting Roadmap for SY20-21 (see pages 2-3 of the agenda)

We reviewed Findley Oaks' Strategic Plan to help us decide what goal we would like to focus on this year. We also looked at the Strategic Monitoring Plan to help us determine what goals we met last year and what we are still working on. Two pillars we will focus on this year will be People and Culture and Community Collaboration. We will be thinking about what new initiatives we would like to support this year and bring those ideas back next meeting.
