Notes from the Governance and Flexibility Team

* Website Audit: While everyone is virtual this year, it is imperative that we continue to keep the public informed. Most importantly this includes making sure all meetings are open to the public for access. All SGCs meeting require 7 days notice and a link to view or attend the meeting on-line. All SGC Websites must be in compliance with Georgia Sunshine Laws. Make sure your SGC website is updated with this year's council member information. For reminders on when documents should be posted, please reference pages 19-20 of the [SGC Operations Guideline Handbook](#).

On July 31, 2020 all Fulton schools received \$30,000 to be spent by School Governance Councils on innovative measures towards achieving strategic outcomes. These Charter Dollars must be spent in accordance with FCS expenditure guidelines and are subject to the same restrictions as other funds in your cost center. In addition, any purchase(s) made using Charter Dollars must be publicly voted on by your School Governance Council and recorded in the [Charter Dollar Expenditure Form](#) (Note: A copy of your expenditure form will *not* need to be posted on your SGC web page because it will appear on the [FCS Charter System Website](#)). However, SGCs should make note of any expenditure on their agenda and record voting outcomes related to these funds in their minutes
