## Notes and Reminders

We at the Governance and Flexibility team hope that this sample agenda is helpful and provides some general guidance for your first meeting of the coming school year. Below are some tips and additional

details about the agenda items listed on the first page of this document. We hope you have a restful summer and are looking forward to working with everyone in the fall.

\* **Setting the date, time and location of your meetings:** It's a great idea to set your meeting schedule for the entire fall semester (if not the entire year) at your first meeting. Get this information posted at your school and on your SGC website at least 7 days prior to your meeting and you will have covered many requirements of the Open Records and Meetings Laws.

\* **Action Items:** Don't forget that all action items require a motion, a second and a vote (even seemingly simple things like the agenda and meeting minutes need to be voted on).

\* **Running the first meeting:** Note that in the sample attached the principal ran the meeting until officers were elected and a chair could take over. This is a great practice as there will not technically be a standing chair at the beginning of the first meeting of the year. (Note: if the previous chair is still sitting on the council, they are welcome to run the beginning of year meeting until a new chair is elected)

\* **Establishing/Reviewing meeting norms:** It's a great idea to discuss and create norms that your SGC feels will work well for them. Include these at the beginning or end of your agenda and take the time to review them throughout the year to ensure that your meetings run smoothly and productively. Keep in mind your Council Self-Assessment survey feedback when considering your norms for the new year.

\* **Staffing your committees:** Remember that all SGC members should be a part of at least one committee. The Budget and Finance Committee and the Communications and Outreach Committee require a Chair (any voting SGC member), the principal, three voting SGC members and can have up to three additional SGC or external members. Also, every school needs a Principal Selection Committee regardless of whether or not they believe that their principal position might become vacant. This committee is comprised of the SGC Chair and three additional voting SGC members.

\*\* **Governance Training for New Members:** All members are required to attend the governance training once.

<h2>August SGC Meeting Exercise: Building Empathy for Our Users</h2> 	
<b>Focus:</b>	Community
<b>Purpose/Outcome:</b>	Community Collaboration: Teachers, Staff, Students, Parents and Community.
<b>Time:</b>	15 minutes
<b>Facilitator:</b>	Elected Chair or Vice Chair

<p><b>Protocol:</b></p>	<ol style="list-style-type: none"> <li>1. Facilitator presents opening question: What changes have you experienced during the outbreak of COVID19 and how have they made you feel?</li> <li>2. Members take 60 seconds to quietly reflect.</li> <li>3. The facilitator opens the floor for members of the SGC to share their experiences. (3-4 members volunteer to share their experiences.)</li> <li>4. The facilitator presents this closing question for reflection until the September meeting: Think about how these experiences impact you. How can we use our work this year in SGC to support our school's community?</li> <li>5. The facilitator closes with this idea for the SGC's focus for the 20-21 school year: "As we understand and empathize with our community, we can further our work as an SGC and support our school's community aligning these ideas to our strategic plan goals."</li> </ol>
<p><b>Next Steps:</b></p>	<p>Add this empathy reflection to the September agenda to allow members to share ideas of future support the SGC can provide our community. Discussion points can be added to evidence of progress on your strategic plan monitoring tool.</p>
