

# Adventure Quest Syllabus

Coach Shelnutt

## GOALS AND OBJECTIVES

1. Students will work cooperatively in groups to accomplish various initiatives and participate in problem solving activities.
2. Students will identify basic skills and safety procedures for outdoor pursuits.
3. Students will demonstrate responsible personal and social behavior while interacting in various adventure activities.
4. Students will understand that physical activity provides opportunities for enjoyment, challenge, self-expression and social interaction.
5. Students will demonstrate an understanding and respect for differences among people.

## COURSE DESCRIPTION

This course will be a combination of new games, group initiatives, group problem solving activities, outdoor education activities such as orienteering, camping and hiking.

## GRADING

The nine-week average will be calculated based on following areas:

- **Major:** An assignment or assessment that is cumulative in nature – 50%
- **Minor:** An assignment or assessment that measures an individual standard or subset of standards/skills within a unit 40%
- **Practice:** Daily assignments, observations, and/or engagement activities given in class or for homework 10%

Sincerely,

Coach Shelnutt
