

## ***What is a School-Family Compact?***

It is an annual agreement that outlines the collaborative efforts of families, teachers, and students to ensure that every student achieves grade-level standards and shares the responsibility for enhancing student success. The compact involves families, students, and staff signing it as a commitment to support academic learning, highlighting each party's accountability.

### ***Jointly Developed***

The School-Family Compact is jointly developed and revised with input from parents, families, staff, and community members of Woodland Elementary School. Input was collected through a variety of methods, including e-mail, parent surveys, and parent feedback forms. Families were offered flexible meeting times to give input on how the 1% of parent and family engagement plan funds should be used. Ideas were shared regarding what is most needed for the educational success of all students. Feedback is welcomed throughout the 2023-2024 school year.

*For questions or concerns please contact:*

## 2023-2024 District Goals

*Ensure that all FCS students graduate prepared to pursue their chosen paths -- whether college, career, or military -- and to succeed on those paths after high school by focusing on 4 top priorities over the next 5 years:*

- Increase graduation rate by 2.5% from summer 2023 to summer 2024.
- Increase percentage of students meeting grade level expectations on the reading/language arts Georgia Millstones by 3% from summer 2023 to summer 2024

## 2023-2024 School Goal(s) Grades K-2

- By May 2024, increase student achievement in math by 3% for all K-2 students as measured by iReady Literacy Diagnostic.
- By May 2024, increase student achievement in math by 3% for all K-2 students as measured by iReady Reading Diagnostic.

## Focus Areas

- Reading: Phonics, letter sounds and decoding strategies
- Reading: Build fluency, understanding and strategies with problem solving skills, completing real world problems using addition and subtraction.
- Math: Counting,
- Math: Operations, and Algebra Thinking

*"We are going places."*

## Teacher/School Responsibilities:

### Literacy

- Teachers will provide sight word recognition activities to be practiced at home for 20 minutes each night.
- Teachers will distribute a monthly reading log to encourage 20 minutes of nightly reading.
- Teachers will implement explicit, systematic daily phonics instruction.

### Math

- Teachers will provide a monthly at-home math activity to strengthen math skills.
- Provide educational websites to assist with Literacy and Math. (iReady)

## Family Responsibilities:

### Literacy

- I will ensure that my child practices the sight word recognition activities at home for 20 minutes each night.
- I will use the monthly reading log to monitor my child's reading goals.
- I will ensure that my child completes all homework assignments to reinforce phonics and comprehension skills.

### Math

- I will review and complete the monthly at-home math activity in the school/teacher newsletter to help my child.
- I will utilize the educational websites to assist my child with Literacy and Math. (iReady)

## Student Responsibilities

### LITERACY:

- I will take responsibility for bringing home and practicing my sight word recognition activities with my family at home for 20 minutes each night. (Grades K-2)
- I will read nightly with my family and use the reading log provided by my teacher.
- I will ensure that I completes all homework assignments to reinforce phonics and comprehension skills.

### MATH:

- I will be a responsible student by completing the Monthly At-Home math activities with my family. (Grade K-2)
- I will use the educational websites for Literacy and Math. (iReady)
