## Principal's Updates:

- a. Things are progressing well at the school. There have been updates to schedules due to influx of additional sixth grade students.
- b. Due to being in remote learning mode across the district, there is emotional and behavior maturity loss observed in students. The school's plan to achieve student maturity through setting expectations while in school has extended longer than anticipated. The staff continues to support students to gain more independence rather than taking a harsher punishment-oriented approach.
- c. "Long Walk to Water" book reading is starting in seventh grade. Parents are welcome to read the book as well.
- d. Milestone tests – results are available in the online Parent's Portal.
- e. iReady diagnostics completed – data assessed and plan on how to bring the students that have fallen behind, to level.
