\*\*To be eligible for PR the student must participate in 45 minutes of asynchronous ELA and math instruction as defined by the teacher. Teachers will communicate assignments to students within 24 hours of the request being made. Students may not use a remote learning day on a summative assessment day. Please note that the student will be marked absent until the work is completed, and the record is updated. The student has up to two days to complete work upon return. Per Fulton County Policy JBD "Absences and Excused," students can substitute up to 5 absences per semester with a remote learning day by meeting the remote learning participation requirements.
