### Notes from Governance and Flexibility:

\* All Charter Dollar expenditures must be recorded using the Charter Dollar Expenditure Form to maintain adherence to Georgia Sunshine Laws and the FCS Charter Contract. Charter Dollars must be spent in accordance with FCS expenditure guidelines and are subject to the same restrictions as other funds in your cost center. In addition, any purchase made using Charter Dollars must be publicly voted on by your School Governance Council and recorded in your SGC meeting minutes. For examples of district supported Charter Dollars expenditures, please see the Charter Dollar Matrix.

\*\* All SGC Websites must be in compliance with Georgia Sunshine Laws. Make sure your SGC website is updated with this year's council member information (names, FCS e-mail addresses, member positions, term end dates). Also, please be sure that agendas, summaries of action, approved meeting minutes and your annual calendar of meeting times have been posted.
