August 27, 2022

To Future Business Partners,

Thank you so much for your interest in partnering with Autrey Mill Middle School. We hope to create long-lasting partnerships in our community that are mutually beneficial to both parties. Our mission at Autrey Mill is to prepare today's students for tomorrow's challenges by engaging all learners through rigor, relevance and relationships. As a partner of Autrey Mill Middle School, we can reach this goal and help build a stronger community.

I sincerely thank all of our partners and want to encourage other business and community organizations to join us in this important work. Establishing a strong relationship with the business community and supporting our school will help us achieve our vision. We have various opportunities for your business or organization.

The length of the partnership is one academic year (August - May), at which time the partnership will be evaluated by both parties and further plans made based on these evaluations. Per district policy, the organization and the school must develop a formal partnership agreement each school year.
