Meeting Minutes

7:06 Bethany called the meeting to order.

7:06 Bethany motioned to approve agenda, second by Christa, all voted in favor.

7:07 Bethany motioned to approve October 23, 2020 meeting minutes, second by Allison, all voted in favor.

7:08 Bethany gave general updates. All members have been trained. We passed our website audit with all categories cleared. Completed charter funds expenditure form. FCS is in the process of renewing our Charter System status. RFFs will now be called AVF-new system will allow for more centralized waiver policies that can be adopted by school councils more easily.

7:11 Ramya attended the Superintendent Advisory Council November meeting. The council worked on the bill of rights draft. Freddie Benschine presented information about the Charter System and strategic plan updates. Covid 19 resources for Fulton County Schools were also shared.

7:14 Principal's Update- Julie reiterated that parents are able to access information regarding Covid case numbers as well as students/staff quarantining.

There has been an increase of activity around Covid since Thanksgiving break. Fulton County had a large number of students and staff get tested before returning.

Julie also encouraged parents to complete the survey as soon as possible from the county as to whether students will return F2F or virtual for third quarter. There is much planning that will need to take place before the quarter begins (possible classroom changes, etc.). The school wishes to keep students in the same class as much as possible but changes in levels, etc. may indicate a need for a change in placement.

For the second semester, Julie wants the school to work on updating our current mission and vision statements. Currently mission and vision statements are the same and we would want to delineate the difference between the two, as well as make updates.

7:25-SGC Reflection Form-replaces the SGC monitoring tool which relies heavily on data that isn't available due to Covid 19 (GA Milestones data, survey data, etc.).

Bethany led us through completion of the form with input from the council.
