August 19, 2021

Good Morning Raiders! We have had another amazing week of school in Raider Nation!

Our eligible juniors and seniors have been able to enjoy our Off Campus Anchor Time & Lunch Privilege this week. This is always a highlight for our students and now has the added bonus of decreasing the number of students in our cafeteria to assist with social distancing.

Today, we end our “Start with Hello” campaign week with Green Out Day! Students & staff will wear green today to spread our collective message of positivity and kindness.

Reminder that Fridays and Mondays, we have advisement during 5th period, which is the 12:09 – 12:39 time period. Advisement is required this year for all students as we implement Fulton County Schools’ Student Success Skills. Juniors and Seniors, Off Campus lunch privilege does not pertain to Fridays and Mondays.

Senior parents and students, please mark your calendar for the fall 2021 Virtual Senior Meeting. The meeting will take place in 2 parts during Advisement on Monday, August 23rd and Friday, August 27th. This is the first step in learning all you need to know as we begin your senior year!!! Parents are invited to join via Teams. Senior parents should have received an e-mail from our counseling office with the link to join the meeting virtually on Monday.

Parents and students, please know that the Fulton County Schools’ grading policy changed fairly dramatically for this school year. By now, all students and parents should have received a course syllabus for each course. The AHS common syllabus that pertains to all students may be accessed directly from our website. Please read this document carefully, particularly in regard to the change in the Recovery policy. Please know that students may now only recover 1 major assignment/assessment per nine weeks for a maximum grade of 79.

As you are all aware, the cases of Covid-19 are rising. As such, we are asked to increase our mitigation strategies. Please know that because of this, we are limiting visitors to our building to essential guests only. Additionally, our Curriculum Night that is scheduled for Thursday, September 9th at 7:00pm will now be a virtual experience. More details on how to access my Live presentation and the teacher videos will come soon.

As you are planning ahead, please note that we have an AHS Balance Night on Tuesday, August 31st and an AHS Late Start Wednesday on Wednesday, September 1st. AHS will have a 2 hour delayed start on September 1st where students with their own transportation may come to school 2 hours later than usual and those who need to ride the bus will come at the regular time but engage in a 2 hour supervised study hall in the AHS cafeteria or Media Center.

We look forward to hosting our first home football game of the season tonight as we take on cross town rival Chattahoochee. It is our senior march tonight so we look forward to celebrating our class of 2022 seniors! Tickets must be purchased online at the GoFan website.

That’s all for today, Raiders! Stay Safe!
