Goal of Physical Education

Our goal is to encourage students to make healthy choices and choose an active lifestyle. By providing a wide variety of activities, instruction, and strategies/concepts in the areas of conditioning, physical fitness, individual and team sports, and outdoor activities.

Materials Needed

1. Athletic Shoes
2. Water bottle with student's name written on the bottle.
3. Deodorant

Tardy Policy

All students need to report to PE class in a timely manner so they can get the most out of their PE time. The locker room teacher will also go through the following steps:

- 1st tardy- a private conference with the student
- 2nd tardy- a note will be sent home with the student
- 3rd tardy- a public detention will be assigned

Grading Policy

Grading/Assessments:

Major: (Activities, Fitness Gram, and Daily Stretches) = 100%

Students will have the opportunity to earn a maximum of 20 points per day in PE.

Within this course, accommodations and modifications will be implemented based on students' current Individualized Education Plan (IEP). For specific goals and objectives and instructional levels, refer to your child's IEP.

Recovery: All students will have one (1) opportunity every nine weeks to redo/retake one (1) major assignment/assessment. o Eligibility for redo/retake is for students who receive a 79 or below on a specific major assignment/assessment. o Students are eligible to earn a replacement grade on a redo/retake no higher than 79. o Student redo/retakes must be completed before the next major assignment/assessment is given or five (5) school days before the end of the marking period if there is not another major assignment/assessment given.

Non-Participation Procedure

While the PE Department strongly believes in the benefits of daily Physical Education classes, we understand that, from time to time, a student will not be able to participate for various reasons. For such times, it is the responsibility of the student to provide a note, signed by their parent(s), explaining the situation. Non-participation, with a parent's note, is allowed for up to three consecutive days. If longer exemption from participating is necessary, a doctor's note will be required.

Discipline Policy

STUDENT BEHAVIOR - During periods of organized instruction, each student is expected to conduct him/herself in an orderly fashion which will not distract from the learning process of classmates. Disruptive, disobedient, and disrespectful students will be disciplined in the following sequence: private conference, parent communication, detention, and office referral
