Fulton County Students and Parents,

Fulton County Schools has chosen to partner with FEV Tutor to provide you with school-sponsored online tutoring and homework help as a support resource this academic year for students in quarantine.

Together with FEV Tutor, we have developed a tutoring plan designed specifically for you! Students will be able to continue meeting their academic goals during quarantine. Since this is a virtual service, you can access the tutoring from anywhere with a computer and an internet connection. A member of FEV Tutor's Family and Student Engagement Team will reach out by email this week to help you get started.

To get started, please complete the student enrollment form below:

FEV Tutor offers flexible scheduling options to help you fit tutoring into your busy schedule. Tutoring sessions are offered Monday – Friday from 7:00am – 10:00pm and on weekends. Fulton County Schools is encouraging students to create schedules any time after school and on the weekends. Students can also request an On-Demand session for homework help at any time.

If you have any questions about this free virtual tutoring program, please contact FEV Tutor directly at: [ga@fevtutor.com](mailto:ga@fevtutor.com) or call 855-763-2607. FEV's Support Team is happy to answer any questions and work with you to create a personalized tutoring experience that best suits you as a learner.

We look forward to hearing your feedback and seeing your progress from your first tutoring sessions!

Sincerely,  
Fulton County Schools and FEV Tutor
