

## What Is A School-Family Compact?

The School-Family Compact is an agreement that parents, students, and teachers develop together. The compact explains how parents and teachers will partner together to ensure that all students receive the individual support they need to reach and exceed grade-level academic standards.

## Jointly Developed

FAVE parents, students, and staff of worked together to develop this School-Family compact for achievement. This compact is uniquely developed to meet the needs and goals of our school and students. Teachers suggested strategies for learning at home; parents gave input about support they needed; and students talked to us about ways we could help expand on learning.

Each school year, Parent Input meetings are held for parents, students, community members, and teachers to provide valuable suggestions to aid in student learning. We encourage **ALL** parents, families and community members to participate in revision meetings in the Spring as well as an annual Title I Parent Survey that is used as an informative tool to collect feedback regarding the current Title I programs and policies.

FAVE is open to parent feedback on the Compact anytime during the school year.
