Discussion Item: Principal's Update

Mr. Martin discussed the 6th and 7th grade socials and the 8th grade Skyzone event. This year the school will be able to have "May Madness", which was missed during Covid. He reminded us that Tuesday will be a remote learning/asynchronous learning day. All devices will be turned in on Wednesday except for students attending summer school. The SGC will need to appoint a community member to replace Ms. Graves. He has appointed Ashley Perry the school appointed member.

Discussion Item: Council Surveys

Both surveys will be sent to your email. One survey is on the council as a whole and the other is principal feedback. Complete surveys

Discussion Item: Reflection Form-Ms. Smith

Question: How did the SGC support our strategic plan?

As a group, we felt that surveying the teachers gave us the information we needed to purchase materials that staff really needed. Teachers appreciated and benefitted from the planning time that we funded (duty day), it helped with student achievement, and it gave the staff a better idea of what the SGC role is.

Question: What initiatives and projects did you focus on?

We primarily focused on spending towards supporting PLC's allowing them more planning time and purchasing supplies that they needed to support student achievement.

Question: What projects will you be working on moving forward?

We would like to continue to survey the teachers each year to see what the needs are. We would like to try surveying parents to improve their understanding on the role of the SGC. We will work on publicizing our work more in school newsletters and information home.

Action Item: Adjournment

Ms. Bradley made a motion to adjourn the meeting, Ms. Cherek seconded. Unanimous approval.
