

What is a Title I School-Family Compact?

A School-Family Compact is an agreement between parents, students, and teachers. It explains how parents, teachers, and students will work together to make sure all students reach grade level standards.

Hamilton E. Holmes Elementary is served by Title I, Part A. This service requires that parents, school staff, and students share the responsibility for improved student achievement. It also describes how the school and parents will build and develop a partnership that will help children achieve Georgia's high academic standards.

Jointly Developed

Parents, students, and staff of Hamilton E. Holmes Elementary School jointly developed this School-Family compact. Teachers suggested home learning strategies, parents gave input to make them more specific, and students told us what would help them learn. Parent Input Meetings are held each school year to review the compact and to make changes as needed to increase academic achievement. Feedback is welcome throughout school year.

Communication about Student Learning

Hamilton E. Holmes Elementary is committed to frequent two-way communication with families about children's learning. Basic methods to reach you will be:

- Parent Portal (Infinite Campus)
- Thursday Folder
- Blackboard (Email, phone or text)
- School Website
- Parent-Teacher conferences in Fall and Spring.
- Frequent reports on child's academic progress
- Phone calls
- ClassDojo
- Weekly Newsletter
