Holmes Elementary will provide full opportunities for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Our Parent and Family Engagement Plan is Jointly Developed

Parents, students and staff of Hamilton E. Holmes Elementary jointly developed this School and Family Engagement Plan. We invited all parents to attend our Parent and Community Input meetings in Spring 2022 to review and revise this Parent and Family Engagement Plan, as well as the schoolwide plan, our School-Family Compact and the Parent and Family Engagement budget. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey to collect suggestions from our stakeholders on the plan and the use of 1% funds for parent engagement. Parents, families, and community members can also give feedback during various parent meetings and events throughout the school year.

Parents can see a copy on the Hamilton E Holmes website. The plan is distributed multiple ways including posted on the school website.

Hamilton E. Holmes Elementary will:

- Provide opportunities to improve parent and family engagement to support student learning.
