Subject:	(Building Parent Capacity Continuous Communication #2) A Recipe for Success – The Benefits Building Ties Between School and Home.
Attachment:	https://youtu.be/FxJIsZsYKQQ

Hello Parents,

Please view the video link above, we are constantly promoting growth in all students messages like this, allow us to think, reflect, and contribute to student success.

Objective:

The intent and purpose of this article is to share strategies, and practices you can try to build relationships at your child's school. After watching you should have a better understanding of how you can get involved and how to communicate with your students teacher's to better help you support your child's learning at home.

Things to consider:

- **Have you attended any parent workshops or meetings held at the school.**
- **Have you had a parent teacher conference to understand your students progress and performance for this school year.**
- **How can I support my student at home and school.**

Thank you for working together at *{Insert School Name}* to learn and partner with your school community to ensure your child is reaching their full academic potential. If you have any additional questions or comments, or suggestions for new learning, please let me know *{insert contact information}*.

[The topics below should be removed from template before sending to parents]

Additional Instructions, Reflections, Tasks, or Questions (Optional):
