## COURSE REGISTRATION FOR NEXT YEAR

Our registration process for the 2023-2024 school year began on January 23<sup>rd</sup>. Students will have from January 23<sup>rd</sup> through the end of May to choose classes for the next school year. This is the only time students will be able to participate in the scheduling of classes, so please make it a top priority. Please discuss course selections with current teachers and your parents.

We understand there are many factors to consider when making decisions regarding course selection and electives. Northview has several resources available to you to address your registration questions. We ask that you review the resources below and participate as needed to ensure your registration questions are answered in a timely manner.

- Check out the NHS website - [Northviewhigh.com](http://Northviewhigh.com) and click on counseling. We are updating the page as information is available, so check frequently!
  - Available courses by grade level
  - Dates for when the elective registration portal and course waiver process will be open
  - Application-based courses
  - Virtual Course information
  - All things registration!
- If your specific question is not answered through the website and other registration material, please check with your current teacher, counselor or administrator – email is the best way to reach us.
- Need face-to-face time with a school counselor to talk about course registration?
  - Please refer to the multiple opportunities listed below in the Registration Timeline for when/where school counselors will be available to meet with students during the school day.

### Registration Events
