Gooooood Morning Raider Nation!

This is Principal Mike Scheifflee

Thank you to all of our families who attended our Information Day event yesterday morning. It was a pleasure getting to know you all and I look forward to seeing all our students on Monday morning.

In 2004, Alpharetta began its journey of creating opportunities for excellence in academics, arts, athletics, and altruism. With top rankings on school achievement lists, Raider Nation has surpassed countless metrics of success by nurturing the surrounding community and creating the foundations for drive, determination, and success in all those who have walked our halls.

Be sure to stay connected with me throughout the year as we continue celebrating Raider Nation and our 20 years of excellence.
