

Announcements for Friday, August 18, 2023

Dress Code

Students – The summer months are ending and you’ve had over a week to adjust your school attire to align to our dress code policy. For the first week of school, several warnings were given to multiple students regarding their choice of dress. Effective immediately, all teachers and staff have been asked to address students who are not in compliance with our dress code policy. So, starting tomorrow, please examine your attire before arriving to school. If you choose to arrive to school wearing inappropriate attire, please know that you will be subject to disciplinary consequences.

Tardies – The AHS tardy policy started this week. So please be sure to get to your classes before each late bell. Otherwise, you risk receiving discipline consequences and parent contact.

Please Remember:

1st tardy is a warning

2nd tardy is a teacher detention

3rd tardy will be a referral to your administrator

Any teacher detentions that are missed will be an automatic referral to your administrator with increased consequences. Thank you!
