

You're all set! Welcome to HOOCH!

Here are a few questions that may be helpful in getting started:

How do I get a school device to do my work?

If you need a school issued device, Ms. Lin Lee or Ms. Erica Greene in the media center can help you. If you have any questions, they can be reached at LeeLC@fultonschools.org and GreeneE3@fultonschools.org, respectively.

If you are a brand-new student to Fulton County schools, the student must be active in the system for more 72 hours. Without this period, the student's username and password will not work in the system and the laptop setup will not work. Device distribution only happens during lunch periods for new and in-transfer students.

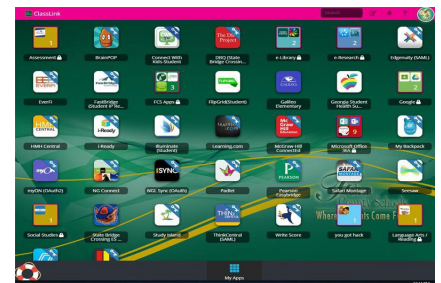

Every parent must sign the Device User Agreement form in Infinite Campus, under Documents. Please be aware that the Device User Agreement only shows for the Primary Parent/Guardian's account listed in Infinite Campus. Once the parent has signed the DUA, this message below will display, and no further action is needed. Parents can contact the help desk at 470-243-4357 if any issues.

How do I access my school information and platforms?

Most of what the students need (schedule, class meetings through TEAMS, Canvas, Infinite Campus, Naviance, etc.) are in a student portal called Classlink.

How can I get access to ClassLink?

Go to www.fultonschools.org and click on the ClassLink icon in the green bar in the middle of the page.

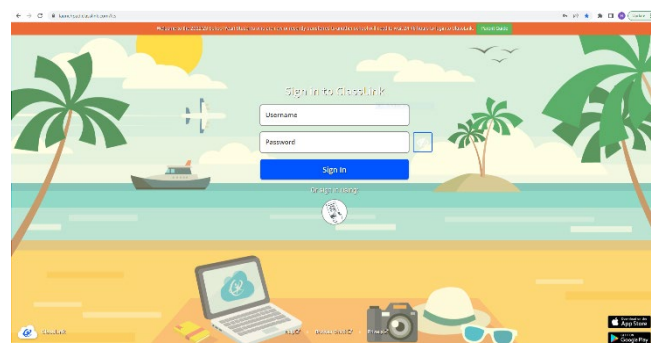

How do I log into ClassLink?

Username: Student's ID Number.

Password: Student's DOB, written in mmddyyyy format.

(Example: The password for a student with a date of birth on September 7, 1822, would be: 09071822).

Where can I find my schedule and other personal information?

Student's information is in Infinite Campus (IC). Students can access IC thru ClassLink. There is no need for additional login information. This is also where students can find information about schedule, assignments, grades, transcripts, discipline, attendance and much more.

It is important that parents also create an account with Infinite Campus – Parent Portal. The Infinite Campus portal provides access to information for all enrolled students in their household. To activate your account under the Parent Portal, go to www.fultonschools.org/infinitecampus and click on the Activation button. Please make sure to use the email address used to register your student.
