Did you know that AHS is a PTA national school of excellence? Our PTSA impacts and influences our school daily. I personally urge to you please join today as your support is so greatly appreciated by our students and staff.

Attention Seniors, please login to Naviance and complete your College Bound Information Survey as well as your Post Secondary Plan Survey. These surveys allow counselors to write your letters of recommendation and assist you in planning for your future after high school. Counselors will begin calling seniors in who have not completed the surveys, as they are mandated by the state of Georgia.

Attention Class of 2025 students and parents. Counselors will be hosting the Junior Advisement meeting in the AHS Auditorium, Monday, October 30<sup>th</sup>. This is a student only session and a copy of the presentation will be posted to the counselor website at the conclusion of the meeting. Attendance for all juniors is mandatory. Following the meeting, counselors will be pushing into all levels of 11<sup>th</sup> grade American Lit to assist students in completing their 11<sup>th</sup> Grade Bridge Bill and Junior Survey. Following advisement meetings, counselors will send out instructions for 11<sup>th</sup> grade parents and students to schedule their 11<sup>th</sup> grade Junior Advisement 1-on-1 meetings with their counselor. Please check AHS ENN for further information and updates.
