

12/15 Friday Morning Message

Second semester enrollment window for the Fulton Academy of Virtual Excellence (FAVE), is open!

What is FAVE? It is an alternative to traditional face to face learning where students not only learn from home, but also attend live gatherings. Students can also participate in sports at their zoned schools. Students who demonstrate academic excellence can opt for the Flex path, which allows them to learn independently and access course content on demand to meet their learning needs.
