### **Safety and Security at AHS:**

Safety and security continue to be a priority at Raider Nation. Please watch today's morning show and access an important PSA produced by our broadcast media students. This important safety video features some important reminders about security at Alpharetta High School.

Next week is the end of the fall semester, please note that AHS will be on a ½ day bell schedule for midterms, final exams and gradable experiences on Wednesday, Thursday and Friday. Please check social media and our website for more information about our schedule and expectations. Additionally, during our exam periods, students will remain present for the duration of the assessment period and students may not check out early?

We are delighted to share with you that Fulton County Schools will offer students in grade 11 an opportunity to take the ACT during the regular school day on **Wednesday, March 13, 2024** at no cost to the student or their family. To help us in planning for this exciting testing opportunity, students will need to complete an interest survey. ### **Senior Counseling Update:**

As of today, almost 400 seniors have applied for admissions to college or technical school, including the over 50 students who participated in Instant Decision Day that was hosted by AHS Counseling and the Graduation Team. We had 154 seniors apply for UGA Early Action with 61 admitted and 69 deferred. We are so proud of our seniors and their continued hard work.
