

Gooooood Morning Raiders, Its Friday January 12th and this is your morning message:

Get out tonight to cheer on boys and girls basketball programs at home vs region opponent Lassiter. Varsity girls at 6, boys at 7:30.

Best of luck to wrestling at Pope for sectionals and Swim at Cobb Central this weekend.

Community Attention:

Construction on our turf practice field will begin later this month. We are working with the contractors to ensure a minimal disruption to campus life. Stakeholders will notice increased construction traffic accessing campus from Webb Bridge road. Construction traffic will be limited to the student parking side of campus with heavy equipment only accessing the softball service road. We ask student drivers and all visitors to campus to remain attentive over the course of the spring semester as this project will be underway through May. Additionally, spring sports coaches will be communicating specific expectations for facility access with their athletes and communities.

11th Grade Parents:

One last reminder the ACT interest survey for juniors only is due today, January 12th to secure a spot for the March 13th ACT at AHS. The interest survey was sent to junior FCSTU emails.

Student Parking for the 24-25 School Year:

Attention all current 10th and 11th graders: The 2024-25 AHS Parking Application is now open! Please check your school email for the application link and important information. The deadline to apply is Wednesday, January 31.

Raider Recommends

Raiders, do you have questions, concerns or a great idea? We have implemented a new survey call Raider Recommends for student use. Through this survey, students will have the opportunity to share their ideas and concerns or submit feedback that will link directly to AHS administrators. The link to the survey can be found in the student hub under "Raider Recommends."

Carpooling

We ask parents to please be considerate and patient each day during carpool drop off and pick up. Our instructional staff asks that you try to avoid the teacher parking lot as a place to drop your student off. Thank you for your support.
