Best of luck to swim team seniors as they celebrate their senior season tomorrow at our home pool at Dynamo.

Transcripts including semester 1 grades will be handed out during 5th period Advisement class on Monday, January 22nd. If you are off campus for Advisement, please pick up your transcript in 1330 Seniors, double check your grades and make sure all credits are correct.

Community Attention:

Construction on our turfed practice field will begin next week. Stakeholders will notice increased construction traffic accessing campus from Webb Bridge road. Construction traffic will be limited to the student parking side of campus with heavy equipment only accessing the softball service road. We ask drivers to remain attentive over the course of the spring semester as this project will be underway through May.
