Community Attention:

Construction preparations for our turfed practice field have begun. Stakeholders will notice increased construction traffic accessing campus from Webb Bridge road. Construction traffic will be limited to the student parking side of campus with heavy equipment only accessing the softball service road. We ask drivers to remain attentive over the course of the spring semester as this project will be underway through May. Please refer to your email for additional information and a campus map outlining impacted areas.

Student Parking for the 24-25 School Year:

Attention all current 10th and 11th graders: The 2024-25 AHS Parking Application is now open! Please check your school email for the application link and important information. The deadline to apply is Wednesday, January 31.

Attention Sophomores and Juniors interested in participating in Dual Enrollment for the 2024-2025 school year. The Dual Enrollment video presentation along with process and procedure directions will be emailed out to students and families Tuesday, January 30th. The presentation and directions will also be posted to the AHS counseling website.
