Off Campus Virtual or Dual Enrollment

As we begin the Spring 2023 semester, please note that if students have any class period off campus, instructions for uploading the Spring 2023 Consent Form and Waiver can be found on the AHS homepage in the main banner. The link will take you directly to the [Microsoft Form](#) where you can download and print the waiver and then scan and upload it. **Please note that no digital signatures can be accepted, and no paper copies will be accepted.** Stickers may be picked up during your lunch period in the cafeteria from January 3rd-5th during both lunches. Be sure to have your 2023-2024 AHS Student ID. No exceptions.

Spring Extended Lunch Privilege

Extended lunch privilege for the Spring 2024 semester will begin on Tuesday, January 9th. Students should monitor their schedule in Infinite Campus. If approved, your 5th period will say "AHS Anchor Time – Off Campus" on your schedule. If you see this, you must attend a mandatory meeting on Tuesday, January 9th at 12:09pm in the AHS Auditorium.

2nd Semester Schedule Change Requests

The deadline for change requests is January 17th.

The following are not necessary reasons for a schedule change: Requests to change teachers, specific periods, lunch periods, "change of mind," incomplete summer assignments, or electives (academic or non-academic) are not considered to be necessary. Non-necessary changes will not be considered unless there are extreme extenuating circumstances, in which case our AHS Scheduling Committee will decide on the requested schedule change.
