

Gooooood Morning Raiders, Its Friday March 15th and this is your morning message:

Important Announcement Regarding Student Safety:

Junior/Seniors wars seem to have taken a serious turn this year with many of our local public safety entities expressing concern about the choices and behaviors being made by some of our students. I encourage our families to have conversations surrounding these events and the impact that they may have on not only private property but the safety of our students, their families and the community at large. We are better than this Raiders, make good choices!
