

MACKINVIA STUDENT GUIDE

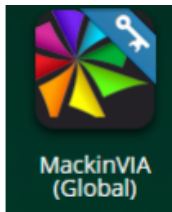

MackinVIA provides students access to electronic books, databases and other digital resources. Students can access MackinVIA on a variety of devices via a web browser.

Login to MackinVIA

- On a computer go to <https://launchpad.classlink.com/fcs>
- On a mobile device download the ClassLink Launchpad app from the store. The first time you launch the app it will ask you for the name of the school district. Type Fulton.

- In the username box enter student ID#. Elementary students' password is their birthday in this format: MMDDYY. MS/HS students were encouraged to change their password. Their Classlink password is the same password they use to login to a computer.
- Once logged into ClassLink, click the MackinVIA icon.

This may be located in the e-Library folder.
