

Google Classroom Student Guide

Google Classroom allows teachers to create classes, post assignments, organize folders, and view work in real-time.

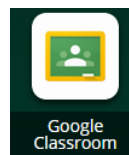

Students can access Google Classroom on a variety of devices via a web browser. For more information about technical specifications, please visit: <https://tinyurl.com/fcsdigitalresourcetechspecs>

Login to Google Classroom

1. On a computer go to <https://launchpad.classlink.com/fcs>
On a mobile device download the **ClassLink** app from the store. The first time you launch the app it will ask you for the name of the school district. Type **Fulton**.
2. In the username box enter student ID#. Elementary students' password is their birthday in this format: MMDDYY
MS/HS students were encouraged to change their password. Their Launchpad password is the same password they use to login to a computer.

3. Once logged into Launchpad, click the Google Classroom icon.

4. You may be prompted to login again.
 - Email is: studentID#@fcsgaonline.org
 - Click Next
 - Password is the same password used to login to LaunchPad
